

Job announcement
Postdoctoral Position in Laser Spectroscopy
Center for Research and Education in Optical Sciences and Applications
Delaware State University

The Center for Research and Education in Optical Sciences and Applications (CREOSA) invites applications for a postdoctoral research candidate to work on laser spectroscopy of complex samples. The candidate should hold (or about to) a Doctorate degree in physics, optics, biophysics, biophotonics or a closely related field and with extensive experience in laser spectroscopic techniques. Interested candidates should send (1) their curriculum vitae, (2) a statement of research interest, and (3) arrange for three letters of recommendation to be sent to: Dr. Nouredine Melikechi, Director of CREOSA, Delaware State University, 1200 N. DuPont Highway, SCS 201, Dover, DE 19901. Email: spoe@desu.edu. Position available on December 15, 2009. Women and minorities are strongly encouraged to apply.
